

# SYNCHRON

## Seating Products

### **Synchron Series**

Synchron series is an enlightened choice for executives, professionals and managers. Fine leather upholstery and majestic designs make it extraordinary and suitable for the finest offices as well as homes. The smooth riding synchronised mechanism allows the occupant to tilt easily from upright to reclined positions, supporting him or her in any posture. The armrests can also be adjusted to suit various requirements.

## Elegance Appealing

Synchron collection provides comfort in seating with various ergonomic features. The multiple locking synchronized mechanism allows the user to tilt easily from upright to reclined position. Its armrests provide options of height, width, depth and direction adjustment for ensuring optimum support.

Model: P01\_

Model: P03\_

Model: P04\_

The plastic back gives a different tone to the chair. It is adorned with a striped pattern inspired by the zebra.

### Model: 56\_

#### Lumbar Back

The protruding lumbar pad is constructed of super soft foam and provides a healthy sitting posture by tilting the pelvic bone forward. Lumbar height suit majority of the population.

#### Backrest Height Adjustment

Backrest height adjust knob is easily accessible to give the user straight forward adjustment when needed.

#### Base

Standard Studio Base of moulded black polypropylene (100% recycable).  
Optional Five-star base of diecast aluminium alloy (100% recycable) in polished finish or black epoxy.

#### Armrest

Height adjustable armrest with swivel and depth adjustable plastic armpad. (A78)

#### Mechanism

An advanced synchronized mechanism ensures ergonomics and comfort. All swivel chairs are equipped with these mechanism features: A multi position Tilt-lock allows locking in any recline angle. An adjustable Tilt-pressure knob is located at the bottom of seat to adjust recline force to suit each individual's weight.

**Comfort**

The prominent contrast-colour lumbar pad is a distinguishing design of Synchron Z, and helps to create a healthy sitting posture.

**Flexibility**

Adjustable or fixed arms allow you to tailor the chair according to your needs and budget.

**Appearance**

Its modern appearance and confident character give the chair a strong impression within the office.

Height adjustable backrest is contoured to give optimum support for lumbar and upper back. The feature-rich armrest enable multi-directional adjustment.
